

Time by Pink Floyd

ticking clocks

clocks ringing

Ticking away

The moments that make up a dull day

You fitter and waste the hours

In an offhand way

Kicking around on a piece of ground

In your hometown

Waiting for someone

Or something to show you the way

Tired of lying in the sunshine

Staying home to watch the rain

You are young and life is long

And there is time to kill today

And then one day you find

Ten years have got behind you

No one told you when to run

You missed the starting gun

And you run, and you run

To catch up with the sun, but it's sinking

And racing around

To come up behind you again

The sun is the same in a relative way

But you're older

Shorter of breath

And one day closer to death

Every year is getting shorter

Never seem to find the time

Plans that either come to naught

Or half a page of scribbled lines

Hanging on in quiet desperation

Is the English way

The time is gone, the song is over

Thought I'd something more to say

]

Home, home again

I like to be here when I can

When I come home cold and tired

It's good to warm my bones beside the fire

Far away across the field

The tolling of the iron bell

Calls the faithful to their knees

To hear the softly spoken magic spells

If I don't write to you, you don't write to me, hey

If you want, I'll look for you, I know where you live'

Maybe today he is hated'

But inside you have joy

If you want I'll take it out for you

Two drinks' and you know that I become a villain

We're not anything, but we've been involved for a while, oh-oh

WhatsApp without the portrait, it doesn't save my contact (Hey, hey, hey, hey!)

But I take it out

Two drinks' and you know that I become a villain

We're not anything, but we've been involved for a while, oh-oh

WhatsApp without the portrait does not save my contact

Everything is underwater (Hey)

Baby, let's go to the fourth quarter

In the Uru' eating the stop

I'm going to hit you hard so that you don't compare me, hey

Be careful with that jean, it's going to break (Hey)

That booty is going to break it (Hey)

I don't know if I'll see you again

If tomorrow I'm going to get lost

You are a player, you made me a crossover

This time you scored, you gave me game over, eh-eh (Huh)

Because I can't forget

The perreo that went viral

Tell me if it's going to fit tomorrow

After the alarm I'm going to give it to you, hey

Today you're not going to work, heh, no

If you want I'll take it out for you

Two drinks' and you know that I become a villain

We're not anything, but we've been involved for a while, oh-oh, oh

WhatsApp without the portrait does not save my contact

But I take it out

Two drinks' and you know that I become a villain

We're not anything, but we've been involved for a while, oh-oh

WhatsApp without the portrait does not save my contact

I like them like this, piquetúa

Mommy, how delicious you look' esnúa'

Maybe you didn't feel what I felt

But I still owe you a night in the suite

La vie en rose by Édith Piaf

Des yeux qui font baisser les miens

Un rire qui se perd sur sa bouche

Voilà le portrait sans retouche

De l'homme auquel j'appartiens

Quand il me prend dans ses bras

Qu'il me parle tout bas

Je vois la vie en rose

Il me dit des mots d'amour

Des mots de tous les jours

Et ça m'fait quelque chose

Il est entré dans mon cœur

Une part de bonheur

Dont je connais la cause

C'est lui pour moi, moi pour lui dans la vie

Il me l'a dit, l'a juré pour la vie

Et dès que je l'aperçois

Alors, je sens dans moi

Mon cœur qui bat

Des nuits d'amour à plus finir

Un grand bonheur qui prend sa place

Des ennuis, des chagrins s'effacent

Heureux, heureux à en mourir

Quand il me prend dans ses bras

Qu'il me parle tout bas

Je vois la vie en rose

Il me dit des mots d'amour

Des mots de tous les jours

Et ça m'fait quelque chose

Il est entré dans mon cœur

Une part de bonheur

Dont je connais la cause

C'est toi pour moi, moi pour toi dans la vie

Tu me l'as dit, m'as juré pour la vie

Et, dès que je t'aperçois

Alors, je sens dans moi

Mon cœur qui bat

La-la, la-la, la-la

La-la-la, la-la-la

La, la, la, la

La vie en rose by Édith Piaf (translated)

Eyes that make mine look down

A laugh that is lost on his mouth

Here is the portrait without retouching

Of the man I belong to

When he takes me in his arms

Let him speak to me quietly

I see life in pink

He says words of love to me

Everyday words

And that does something to me

He entered my heart

A part of happiness

Of which I know the cause

It's him for me, me for him in life

He told me, swore it for life

And as soon as I see it

So I feel inside me

My beating heart

Nights of love never to end

A great happiness that takes its place

Troubles, sorrows fade away

Happy, happy to death

When he takes me in his arms

Let him speak to me quietly

I see life in pink

He says words of love to me

Everyday words

And that does something to me

He entered my heart

A part of happiness

Of which I know the cause

It's you for me, me for you in life

You told me, swore to me for life

And as soon as I see you

So I feel inside me

My beating heart

La-la, la-la, la-la

La-la-la, la-la-la

The, the, the, the
